
Code samples from InfusionCon

Posted by JManna - 2009/05/06 15:01

Just wanted to let interested folks know that Tyler blogged about the code samples he used during InfusionCon.

It's really great stuff, I suggest you check it out:

<http://www.infusionblog.com/infusionsoft-insider/advanced-website-tracking-with-infusionsoft/>

<http://www.infusionblog.com/infusionsoft-insider/lead-scoring-with-infusionsoft-hack/>

I hope this helps our fellow marketers looking to do some creative stuff with Infusionsoft. :)

~Joe
